

Northstar Camaro Club

13th Bi-Annual Club Dyno Day

Saturday, June 1st, 2019

You are invited to St. Paul Automotive for our 13th Annual Club Dyno Day. Owner and club member Scott McClure hosts this event at his automotive and repair facility on Randolph Street in St. Paul. Scott's facility houses state of the art equipment along with a Mustang Chassis Dyno. These particular Dyno's are loading dynamometers designed to duplicate real world operating conditions.

This is your opportunity to see how much power your Camaro has at the rear tires. Don't want to Dyno your car? Not a problem. Just stop on in, enjoy the fun and have lunch with us.

Cost: \$40 per car (cash only)
Including HP/Torque, ¼ mile & top speed.
BBQ lunch will be provided.

Where: St. Paul Automotive, 910 Randolph Ave.,
St. Paul, MN 55102. (651)298-0956
www.stpaulautomotive.net

Time: Starts at 9:00am

RSVP: Space is limited to 12 cars (Active member Camaro's only). To sign up and get your Camaro Dyno'd, call or text Jesse Gunderson at 612-414-2640 or email Jesse at jjgundy74@yahoo.com by Thursday, May 30th. All others wishing to attend, we'll see you there.
