

How to Subscribe to the Northstar Camaro Club's Event Calendar:

The club's calendar is available for you to subscribe to in your own calendar software on your home or work computer. Using the iCal format (.ics) link below you can have the calendar software update your computer automatically with any new events or information added by the club. Brief instructions below cover the most popular online and calendar software.

<https://www.google.com/calendar/ical/northstarcamaroclub%40gmail.com/public/basic.ics>

Any calendar software that will allow ical (.ics file format) subscriptions can subscribe to the school calendar.

Google / Android Phone

In the calendar section of your GMail account accessed via your PC, there is a list on the left of your screen. Locate "Other Calendars" and choose the down-arrow. Choose "Add by URL" and paste the link above. Leave the publicly available checkbox blank and click "Add Calendar". If you are using an Android phone this calendar will then sync to your Android phone, providing the account you add the calendar to is the account that you sync to your Android phone.

Apple iPhone or iPad

Copy the link above and paste it into an email and send it to yourself. When you open the email on your iPhone / iPad and click the link you will be prompted to confirm that you want to subscribe to the calendar. Check the calendar name appears in your list of calendars (under a heading 'Subscribed') - this will then automatically update as new events are added.
