

Northstar Camaro Club Annual Club Banquet February 9th, 2019

You are invited to the **ProKART Indoor Racing Burnsville** for our 17th Annual Club Banquet.

Join us for go cart racing, games, door prizes and great food.

It will be a great time! Fun for all!

We have use of the Sky Box Conference room located on the mezzanine level overlooking the entire race track. We will have games, cards, bag toss, and videos. Plus, our Famous Dave's Buffet and Door prizes.

There will be two races provided by the Club. The first race will set your qualifying time. You will be grouped by these times into heats of 10 to 12 carts. You will then race for first, second or third place bragging rights for the heat you are in. If you want additional races, they will be at your own expense.

Normally, the minimum age for racing is 13, unless they complete a training class with ProKART. However, if we have enough kids in the 8 to 12-year-old range (at least 6), there could be a separate race setup. It would have to be a specific time slot(s) for them only.

To speed up time at the day of the Banquet, please view and fill out the waiver form and register online. Go to: pirburnsville.clubspeedtiming.com/registration. This will bring you to ProKART's online registration system which allows you to create a racer profile as well as fill out and view the waiver form. **Please use event ID code: 5609 to make sure the information gets saved to our event. Do this for EACH RACER.**

Please arrive between 3:30 and 4:00. Racing 4:15 to 6:15. Dinner 6:30 to 7:30. Prizes 7:30 to 8:30.

Please see next page for cost and registration.
